

SOCIALLY DISTANCED HALLOWEEN TRAIL

Shop local and pick up a pumpkin from Barnclose Nurseries

2020 has been a tough year for everyone so perhaps we can join together as a community and lift a few "spirits!" this Halloween.

Current social distancing restrictions due to Covid mean the conventional "Trick or Treating" is inadvisable therefore how about a Spooky Trail around the neighbourhood instead? The kids can; get dressed up, grab a torch and a grown up, go for a walk in search of the trail images, keep a track on the score card and then maybe get a treat when they are safely back home.

Join in by decorating your house &/ or garden in Halloween attire, colour in (ask a neighbours kids if you need help) one or two trail pictures and display in a window or perhaps up a tree if you are feeling adventurous!

Download the pre printed score card and trail pictures from Shrewley Parents Facebook page or www.shrewley.org

Please remember social distancing guidelines and only gather in groups of six or less.

There's no need to knock on doors and there's no need to leave treats on the doorstep.

Stay Safe Everyone!!
