

SHREWLEY PARISH
ROAD ISSUES REPORT

Report Date	Fault	Comment
10.8.17	Conifers at end of Ash Close	WDC asking Forestry to examine and action severe pruning back. WCC Highways also asked to contact Forestry. Forestry have been asked to provide evidence that the developer had NOT registered this strip of land with WCC. WCC Highways provide plan showing strip IS part of Highway Maintenance. Awaiting response from Forestry. Cllr Caborn to contact Mark Rider, WCC Forestry (3/18)
2.11.17	B4439 Station Road junction	Patching ordered. Temporary patching completed.
2.11.17	Footpath Case Lane	Requesting Community Payback Scheme to uncover "lost" footpath.
8.1.18	Two potholes opposite Boundary Cottage B4439	Reported. Some temporary filling. Large patch order.
14.3.18	Potholes on Station Road between Green Acres and Oakslade Farm	Reported. Temporary filling.
2.4.18	Flooding B4439 outside Shrewley House	WCC Flood Risk engineer ordered full inspection of drainage system. Tree roots cleared and manholes refurbished. Awaiting lining of drain. More action may be required by WCC and land owner. Consultation ongoing.
12.5.18	Footways Shrewley Common	32 potential faults found; photographed and report sent to WCC Highways. Urgent action required outside Shrewley Chapel to prevent water ingress.
